

1 спальная комната Деревенский Дом продается в Fuente Piedra, Málaga
135.000€

This easy living, one level, lovely Chalet property has been completely reformed throughout with the current owners mobility needs in mind. The property opens in to a kitchen diner with lots of light flooding in and plenty of storage space with room to sit and entertain with friends. This room continues to a dressing room and a large spacious bedroom that opens to the living room and two bathrooms one on the left and one on the right. With a little work this configuration could be transformed back in to two bedrooms. The living room has patio doors that allow the rear courtyard to become an extra living space with room to sit relax and enjoy the sunshine with the added bonus of a private swimming pool and access to a private roof terrace with views over and beyond the rooftops of Fuente de Piedra in the Malaga province of Andalucia, Spain.
