

1 bedroom Land for sale in Ardales, Málaga

426,000€

If you are looking for country properties in Spain, this one might be of your interest. This property of approx. 76 m2 is located next to the natural area Pantano del Chorro de Ardales. It is divided into two zones.

One is a farm house that has an open space with a living-dining room and a kitchen with a fireplace. There is also a bathroom with a shower.

The other part is intended for storage, with approx. 36m2.

The farm house and storage room are located on a 65,000m2 plot with a large olive grove in production and other fruit trees such as oranges, lemons, apricot, medlar ...

The property has solar panels and does not have a water connection, although it does have a 100,000L water tank.

The sale price includes all agricultural machinery that is in the plot.
