

2 спальная комната городская тюрьма продается в La Carrasca, Jaén

19.999€

Now fixed price of 19,999 euros, complete with ikea furniture in the living area. Situated in popular La Carrasca in the Jaen province of Andalucia, Spain. Take off the animal barn roofs to make a roof terrace for cool breezes and far reaching olive grove and mountain views. This village house on a sloping street, not far from a bar or the reservoir of Las Casillas, just needs some finishing off. With a good roof and mains water and electricity connected it's ready to be lived in while being updated. Step off the stone cladding pavement into the lounge off which is a dining room or downstairs bedroom, the galley kitchen and the stairs. Go through the nice fitted kitchen into the patio area complete with washing sink, bathroom and raised animal pens. The stairs rise into the front bedroom, off which is a second double bedroom with those great views out the back. A great little property to live in or lock up and leave.
