

2 спальная комната Деревенский Дом продается в Compeeta, Málaga

390.000€

This charming finca is in a very special location, in the beautiful Natural Park of the Sierra Almirajara. The mountains form an impressive backdrop and the views stretch for miles over the verdant countryside and down towards the Mediterranean. Although the property is in this truly splendid and peaceful location, it is only about fifteen minutes drive from the village of Cómpeeta.

Situated in an extremely large plot of app. 57,554 m² the property offers an opportunity to own a unique part of the beautiful natural area of Spain Accessed by a very good track the house nestles into the surrounding countryside. A gated entrance open onto the parking area at the side of the house.

Accommodation is in two parts. The principal living accommodation comprises an open plan living room, divided by a breakfast bar from the pretty rustic kitchen from where one accesses a utility area with washing machine adjoining which is a guest cloakroom. The attractive bedroom is spacious and has an ensuite shower room . A further room which is at present used as store room could easily be integrated into the house to provide another bedroom. A vine covered terrace in front of the house makes a wonderful place to relax or dine and one can easily see how watching the magnificent sunsets from here could completely take away the stress and worries of everyday life.

On a lower level there is a casita which with a little internal renovation could be made into a charming guest cottage with private terrace, ideal for visitors or to provide a rental income, if you feel you wish to share your little piece of paradise with other people.

The property has electricity connected, and water is completely free being provided by two natural Springs on the property.

Words alone cannot describe this unique property. It really must be seen to get the full impact of the scenery and the dream location
