A lovely plot of land of app. 3000 sq.m , close to the village of Cómpeeta with access mostly by Tarmac road. Views up to the impressive Sierras and down over the verdant countryside towards the coast. The ruin of an old finca on the plot only adds to the charm and the olive trees provide lots of shady areas under which to sit in the Spanish sunshine and reflect on the history of this beautiful part of the Axarquia. There is a small one storey ruin on the plot suitable for conversion.

The nearby village of Cómpeeta has welcomed many foreign residents to the area over the years while retaining the ambience of a sleepy mountain pueblo it offers an excellent choice of shops and good restaurants .

Mains water and electricity are close by on the main track and could easily be connected.
