

3 спальная комната городская тюрма продается в Compea, Málaga
186.000€

Beautiful modern townhouse belonging to a block of houses located within walking distance to the center of the village of Cómpea & in a very sought after area.

The townhouse is on the ground floor and it can be accessed by an electronically controlled portal. The house is the only house in the whole block with solar panels, it also has a fully fitted kitchen that connects to the living room, 3 bedrooms, a guest w.c. With a shower & a family bathroom. It also has A.C/central heating throughout the whole of the house.

It has a terrace with lovely views and it also has two parking spaces in the underground parking belonging to the block and it also has it's own private storage room there as well.
