

**2 спальная комната квартира продается в Cometa, Málaga**  
**85.000€**

Situated at the top of the village within easy walking distance of shops, restaurants and bars. This apartment has lovely views over the village.

A very modern newly built apartment on the first floor of the building. There are not any apartments beneath only a granite entrance stairway. Accommodation comprises of a hallway leading to a spacious, light and airy living room with glass door opening onto a balcony, a separate fitted kitchen, 2 bedrooms, one with fitted wardrobes and the other with access to a charming internal patio. There is an attractively tiled bathroom.

The property is in immaculate condition and must be seen to appreciate the exceptional value for money it offers. An ideal first overseas home or investment opportunity.
