68.000€

This is one of our rustic style townhouses in Spain, located in a beautiful village of Malaga, Torrox. Located in a traditional street of Andalusia with very good access, just 5 minutes from the main square of the town where most of the restaurants and businesses necessary for daily life are located.

The property has 60m², distributed over two floors each with 30m². The interior of the house needs renovating, retaining the stone walls and beamed ceilings. Although there is no upper terrace there is the possibility to build it and make this house a beautiful home where you can enjoy the magnificent climate of Torrox.

It can be a good opportunity to invest a little money and build a house to live throughout the year or as a holiday home.
