

3 спальная комната городская тюрьма продается в Torrox, Málaga
149.000€

Traditional townhouse in Spain located in a quiet street but at the time just a few minutes walking to the main square.

The property has a communal entrance and the property is located on the second floor of the building. The interior is composed of a living room and a bright kitchen with access to a magnificent terrace overlooking the church and the Mediterranean Sea. It offers three double bedrooms, one of them with built in wardrobe and a family bathroom with shower.

The very special location in an attractive but peaceful part of the village, the large terrace with its lovely views and the reasonably good condition of the property make it an inviting proposition.
