

3 спальная комната городская тюрьма продается в Sayalonga, Málaga
126.000€

This village house in Sayalonga is situated in one of the main streets of this wonderful village, only 1 minute from the main square.

Part of the roofs have been changed but other parts need some work. It has a great potential with 160 m2. The house is only one floor but in the lower part of the house which is entered from the side there is space to build some flats. From the terrace there are wonderful views to the village.

A good investment to build the house of your dreams.
