

2 спальная комната городская тюрьма продается в Compeeta, Málaga
116.000€

Price just reduced! Townhouse located in a quiet street on walking distance to the centre of the white village of Cómpeeta.

This townhouse has 2 entrances from different street, one of them is via a flight of stairs but offering parking in front of the house.

Accommodation comprises an open plan kitchen/living area and next to it is a room that could be used as a dining room, a bedroom or an office and a shower room on this same floor. From here a spiral staircase leads down to a reception room with access to the street. The spiral stair case from the kitchen leads up to the next floor where there is a big landing room that could be used as a reading room, a double bedroom, a single bedroom with Juliette balcony and a shower room.

The spacious roof terrace has amazing views to the village, the mountain and the sea in the distance and benefits of having sun all day.
