This Townhouse is a perfect renovation Project with plenty of possibilities. Located at the top of the town of Torrox, it has relatively easy access and parking not far away. The house, on 2 levels, has 3 bedrooms, a bathroom, kitchen, lounge, back patio and garden. The back of the property could be another entrance onto the land and you could perhaps do a carport there.

On the ground floor there is a hallway, at the entrance, to the right we have a lounge, ahead we find the kitchen and access out to the back patio and then stairs, from the patio, up to the garden. Back in the kitchen, to the right we find the bathroom. Stairs from the kitchen, lead us up to the first floor, where there are 3 bedrooms, a large master double bedroom facing South East and 2 single bedrooms with windows facing the garden. The back part of the roof is flat, ready to be a terrace while the front is a sloping tiled roof.

There are supermarkets and bars and restaurants withing 3 to 5 minutes walk from the house, you can park your car in Calle Sayalonga, 1 mniute walk from the house, or catch the bus there too.

At this asking price, it is well worth investing in the renovations, most of which would be pure cleaning and cosmetics. Book your visit in person or a virtual visit online now!
