

7 спальная комната городская тюрьма продается в Cometa, Málaga
832.000€

An excellently located property, and buisness premises, very closet to the centre of the village currently being used as a shop with regular clientele , with lots of further possibilities (all machinery and licenses for Churros and roasted chickens) plus 3 apartments above and the coresponding storage spaces for the shop etc... This properly is complete with a courtyard garden and views of the "casas colgantes" .

This whole building has lots of potential and a great buisness oportunity .

Must be seen for to apreciate the amazing potential this building has to offer.
