

2 спальная комната квартира продается в El Raso, Alicante

265.000€

spacious apartment on the 1st floor. Very nice and spacious apartment has been brought from 3 bedrooms to 2 bedrooms to make the living space larger. If necessary, a 3rd bedroom can be created, 2 bathrooms, a spacious living room and open kitchen, a storage room and a very spacious terrace with beautiful views over the garden and the communal swimming pool. The apartment is located on the first floor and of course there is an elevator. The garage space in the underground parking garage is also included in the price. The apartment is offered with all furniture, beds, all electrical appliances as well as air conditioning are also included in the price. This apartment is available from December. The complex has a beautiful communal swimming pool, indoor wellness, fitness and a beautiful garden. A great opportunity for a beautiful apartment in a good location at an affordable price. The house is located in El Raso near Guardamar del Segura. Within cycling or walking distance of the beautiful sandy beach of Guardamar del Segura, which you can reach via a bicycle or walking path through the orange trees. The famous lemon market is also within walking distance of the apartment, as well as some shops and restaurants.
