

## 4 спальная комната городская тюрьма продается в Cuevas de San Marcos, Málaga

110.000€

Exclusive to us, this lovely townhouse sits centrally in the pretty town of Cuevas San Marcos with easy walking distance to all the local amenities the town has to offer including shops, bars, banks and municipal swimming pool and sports facilities. This is a bustling town surrounded by stunning countryside and only a short distance to the very popular Lake Iznajar. The property has a typical Andalucian entrance hall which is tiled throughout and leads in to a central dining room with french doors. To the front of the property is a large bright sitting room with wood burner that the owners have purchased but needs to be installed. Continuing on from the dining room is a second lounge with large open fireplace that leads to country style kitchen with plenty of workspace and storage and opens out on to a partially covered patio area. On the first floor there is a full bathroom with a walk in shower and 2 double bedrooms to the front of the property and a 3rd smaller bedroom that looks to the rear patio. This floor opens to a covered terrace that leads to a separate annex consisting of a beautiful newly installed full bathroom and 1 double bedroom - an ideal space for guests. To the rear of the property is a great sized garden with different levels dividing planting areas and places to sit relax with a good book this is a really lovely space.
