ABOUT DÉNIA The hill topped castle (Castillo) overlooks the large marina with many boats. This is also where daily ferries leave for the short journey to Ibiza and Majorca. Around the port area there are many upmarket restaurants, bars and clubs or you can head into town walking around the small streets for a more traditional Spanish cuisine. Dénia enjoys almost 20 km of coastline. To the north, there are beaches of fine sand and shallow waters, such as Les Marines, L'Almadrava, Les Deveses, Les Bovetes and els Palmars. To the south lies a series of small coves along the rocky coast, known as Les Rotes, which is a paradise for fishermen and divers. Boasting over 322 days of sunshine a year, it makes the perfect destination for all-year-round living and as a holiday destination. With quick and easy access from airports at Valencia only 95km and Alicante 110km away, your dream home can just be a few hours away.
