

3 спальная комната городская тюрма продается в Cometa, Málaga

169.000€

This is one of our newly renovated town houses with high quality materials located in the upper part of Cómepeta with free street parking nearby.

The property distributed on a single level has a spacious and bright living room - kitchen. From here, we can access the family bathroom with shower and the three bedrooms (one of them with an ensuite bathroom and a second access to the property from a side street).

The property benefits of porcelain tiled floors, pre-installation of centralized air conditioning and double-glazed windows.

A great property in a quiet location nicely finished!
