

5 soverom Villa til salgs i Nueva Andalucia, Málaga

2.950.000€

The villa is facing the prestigious Los Naranjos golf course. This one-level villa has an incredible investment potential to be developed to be your dream home, offering a large selection of preference that fit your needs in a prime location of Nueva Andalucia.

The villa has great Southwest facing views to the golf course and La Concha mountain on the back side.

This villa welcomes you through a beautiful and charming entrance from the gate all the way to the driveway.

When entering the villa through the grand high ceiling entrance, you immediately get a lot of natural light coming through the charming windows. With a spacious open-plan layout from the living room and social dining area this villa is connected with the direct access to the terraces, swimming pool and the golf course creating a wonderful indoor-outdoor flow.

This stunning home offers you 5 bedrooms today all in one floor with all en-suite bathrooms. Quiet and exclusive location with direct access to all the amenities within five minutes from your doorstep.

This villa is a perfect villa as a renovation object with a high ROI margins or for a family looking for a perfect Marbella home.

There's a great possibility of extending the plot to the full of its potential and also maximising the build-ability size of the villa due to a large plot.

The renovation project with renderings is prepared and available upon request.
