

3 спальная комната городская тюрьма продается в Torrox, Málaga
107.500€

This traditional townhouse, nestled on one of the most emblematic streets of Torrox, is just a minute's walk from the town's main square.

Currently in ruins and used as a garage, the property holds great potential for transformation into a charming three-story home. The ground floor features an entrance that opens into three additional rooms. Ascending a flight of stairs, you'll find the first floor with two balconies offering views of the bustling street below. Another set of stairs leads to the terrace, which boasts picturesque views of the town and surrounding mountains.

For those seeking an intriguing renovation project, this property offers a wonderful opportunity to create a beautiful townhouse in a prime location. Do not hesitate to contact us for further information and book your viewing now!
