

2 спальная комната Деревенский Дом продается в Coín, Málaga
270.000€

Rustic finca in Coín, very close to the centre of this municipality (5 minutes by car). The finca has an area of 5212 m², it is sold with another nearby finca of 2456 m², planted with avocado trees. It has a cistern for irrigation which is supplied by the irrigation channel. In this property there is a house of approximately 100 m² and several warehouses. This house is divided in two parts: 1^a. An old part from 1930, renovated with an entrance hall and a bedroom, the upper floor is open plan, the kitchen and bathroom are outside next to the storerooms and it also has a wood oven. 2^a. It is an extension of the old part with the entrance at the back, although it also has an internal door that connects them. It has 2 bedrooms, a complete bathroom, living room with open kitchen. On the upper part there is a covered terrace with panoramic views. The access road is about 400 metres long and is of earth in good condition, the distance to the town hall is only 1 km. It is also very close to all basic and necessary services. It has mains water and electricity and also water for irrigation.
