

2 спальная комната вилла продается в Torrevieja, Alicante

215.000€

This charming villa, completed in 1997, has a beautiful garden with space for a little pool and a nice solarium with views to the Mediterranean. The front door opens to the living room, with a dining area and a kitchen where cooking is a joy. The kitchen has also a door to the back yard, where you can have a barbecue. The bedrooms are spacious and they have built-in wardrobes. Next to the kitchen there is a trapdoor to a semi-built underbuild, which you can use as a simple storage, wine cellar or you can finish building it as a hobby room.

The closest swimming bay is just a couple hundred meters by foot, and Los Locos beach is just over a kilometer away. There are several restaurants nearby and supermarkets Consum and Mercadona about 1 km away.
