

5 спальная комната Деревенский Дом продается в Altea, Alicante
990.000€

Country house in Altea with beautiful views!. Discover this charming country house, located just a few steps from the historic old town of Altea, on a spacious plot of 3,800 m2. The property features a main residence with two spacious bedrooms, two bathrooms, a well-equipped kitchen, and a combined living and dining area. On the property, there are two guest apartments. Apartment 1 has a cosy living room, bathroom, and a bedroom with a glass-enclosed terrace. Apartment 2 is located next to the garden and pool, and it features a spacious kitchen-living area, a bedroom, and a bathroom. The property benefits from agricultural irrigation water, ensuring it remains lush and green at low operating costs. It is an ideal place for nature enthusiasts, perfectly combining modern living with a deep connection to the natural surroundings of Altea. Discover the perfect fusion of comfort and nature at this property in Altea. Experience the privileges of living with convenient access to the town's historic charm and the tranquility of expansive green areas. Contact us for more information!
