

**2 спальная комната городская тюрьма продается в Salares, Málaga**  
**99.000€**

This town house is located in Salares, a quiet village with a marked Arabic style that is reflected in its architecture and streets.

On the ground floor, at street level, there is a basement or cellar that is currently used as a storage room, but could be renovated to create a small studio for guests.

Stairs lead to a plateau where the main door of the house is located and a separate laundry room that could be removed to build a front terrace along with the plateau, thus obtaining a perfect space to sit and enjoy an aperitif or sit in the cool during the hottest months of the year or to enjoy the sun in the winter.

The house consists of a living room, a bathroom and a fitted kitchen. A small flight of stairs leads to the sleeping area, where there are two good-sized bedrooms.
