Discover life in the La Cala de Mijas Valley.

La Cala Valley is an exclusive gated residential community with only 16 townhouses, semi-detached, and independent villas, all with a contemporary style. They are characterized by spacious terraces, private parking, overflowing private pools, private solariums, and basements for entertainment and recreation. Designed with a Mediterranean spirit, due to its proximity to the sea and the Golf Valley, these homes are an oasis amidst the hustle and bustle of the Costa del Sol.

Its magical setting, with great expanses, ensures that all houses and villas enjoy wonderful unobstructed views of the sea and the valley with southeast orientation.

In addition, La Cala Valley provides everything you individually need to enjoy in common, including a networking center to connect and bring your professional projects to life.

Belonging to the constantly growing municipality of Mijas, it offers a multitude of leisure and day-to-day services. Just a 5-minute drive away is the beach bathed by the Mediterranean Sea, and within 10 minutes are the most prominent golf courses on the Costa del Sol.

Perfectly connected to the A-7 highway and the AP-7 highway, it is less than 20 minutes from Malaga International Airport, 15 minutes from Marbella and Puerto Banús, two internationally renowned destinations, and 30 minutes from the center of Malaga. Building permit granted.
