Grupo Platinum Estates presents the exclusive Aruba villas, a dream come true for golf enthusiasts. Nestled in one of the most privileged areas of Costa Blanca South and surrounded by the natural beauty and tranquility of La Finca Resort, these luxurious threebedroom villas are situated on the front line of hole 2 at La Finca Golf.

The Aruba villas feature a singlestory layout with subway parking, a terrace, a spacious garden, and a private infinitystyle pool. Phase 2 villas also include a large solarium, perfect for enjoying the sunny days of Costa Blanca.

Expertly designed to meet the highest standards, these villas boast premium finishes and the most exclusive, sophisticated materials, offering a perfect blend of luxury and comfort.

The stateoftheart open kitchen is fully equipped and ideal for culinary enthusiasts. Additionally, the villas come with air conditioning, fully equipped bathrooms with underfloor heating, a home automation system, and an elevator.

The architecture and details are meticulously planned. The spectacular living dining room features a stone wall that adds warmth to the space, alongside a large window that offers stunning views, seamlessly connecting the interior with the exterior. Outside, a spacious terrace provides access to the infinity pool and a separate relaxation area.

These unique villas within the resort are the epitome of luxury and comfort, representing an investment in quality of life and tranquility.
