

3 спальная комната Деревенский Дом продается в Alhama de Granada, Granada

179.000€

This stunning detached property sits in the idyllic location near Alhama de Granada, Andalucia, Spain, enjoying the beautiful surrounding countryside and National Park with amazing snow covered mountains as the perfect back drop. The property sits within a generous 26,250m² plot of land consisting of olive trees, established gardens with fruit trees and a private patio with BBQ area and swimming pool all that wraps around the property leading to a double garage / workshop and separate pool house. Once inside the property has an open plan feel with a lounge, kitchen, diner with pellet burning stove and central stairwell. There is a ground floor bedroom, full bathroom and separate single bedroom / study. On the first floor the property has a Swiss chalet feel with pine cladding throughout that leads to two double bedrooms both with built in storage and one benefitting from an ensuite shower room. This property is all about the location and the outside space located just 75 minutes from Sierra Nevada, 25 minutes from stunning Bermejales, 35 minutes from Granada Airport and only 3 kilometres from Alhama which offers all the local amenities on your doorstep including shops, bars and restaurants. The property has mains electric and spring water supply.
