

вилла продается в Sax, Alicante

47.000€

This house has a great location in the center of Sax. With a total of 276 m2 and 92 m2 per floor, this 3-story house can become a magnificent barracks or a large home for your daily life.

The great advantage of renovating is that you can leave every corner of the property to your liking. Furthermore, by seeing the current distribution you can more easily visualize the result and whether you like it as it is or change it. The area is very quiet and you are in the center of Sax.

If you are looking for a project with as many possibilities as this one, request more information
