

Byhus til salg i Coin, Málaga

105.000€

We are offering a large townhouse in need of renovation in the old town of Coin for sale.

The property as such has a variety of rooms divided over two floors. Due to its size, it makes sense to restructure this property into two separate condominiums. It is definitely a TOP investment.

If you have any detailed questions about the property, we are happy to help you at any time.

Net price. The additional costs incurred are not included in the price.
