We are delighted to bring to the market lovely property in a small hamlet just outside the fabulous town of pinoso

The property currently consists of two double bedrooms one bathroom a kitchen and a good sized lounge diner with fire place and pellet burner but there is also a large garage to the rear of the property and can be accessed from the house and easily converted into more living area

The property has a really cute curb appeal and although not connected to the house its self come with a lovely piece of land that could be made into a lovely garden and possibly add a pool
