150.000€

Country House of 107 m2 build with 2/3 bedrooms located in Daya Nueva, ALICANTE. The property is on a fenced plot of 15960 m2. The open kitchen has dining area, separate lounge, and bathroom with shower. The patio has storage room and the rooftop terrace has panoramic views and BBQ. Conveniently situated very close to the town of Daya Nueva but only 15 minutes' drive to beaches and 30 minutes' to Alicante/Elche airport. Enjoy country life close to all amenities! Would make an excellent renovation project as mains water and electricity is in place and legal documentation in order.
