

3 sovrum Radhus till salu i Periana, Málaga

112.000€

Charming traditional 3 bedroom townhouse located in the small village of Banos de Vilo, near Periana in the Malaga province of Andalucia, Spain. The property is separated into two parts. You enter the lower part into a living room and kitchen area, with on the left a bathroom with shower. On the right there is now an extra storage space. Going up to the second part via beautiful decorated stairs, you can find 3 bedrooms with an extra kitchen space and living room. The bedrooms and living room all have nice views over the countryside and mountains of Periana. This property is ready to move into or you could do some small renovations if you prefer to convert it to your own taste. The townhouse comes with an extra urban plot of 252m² which is situated a few meters from the house. The land now has olive and fruit trees such as oranges, avocados and lemons,... The town of Periana is within a 10 minutes drive, here you can find supermarkets, banks, bars and restaurants, a communal pool, recreational areas, etc., The coast is only a 20 minute drive and you are just 40 minutes from Malaga airport.
