

4 sovrum Radhus till salu i Alcantarilla, Murcia

135.000€

Town house with a large interior patio with good facade to a secondary street and with little traffic in the center of Alcantarilla in Murcia.

The house needs adaptation and reform and the rear part has to be demolished, making room for a garden area much larger than the current one.

The house is built on two levels and can be transformed into an ideal home for a family.
