Are you looking for a townhouse right in the center of Torrox? This large family home is located in the heart of this wonderful village, just a few meters walk from the municipal market and right in the heart of all the restaurants and main areas of Torrox village. This townhouse consists of 130m² distributed over several floors and stands out not only for its unbeatable location, but also for the wonderful views of the main square of the village and the beautiful beaches of the Costa del Sol.

Situated in an unbeatable location, this family townhouse is distributed over 3 floors, in addition to the two large terraces on the top of the house. Entering through the access door at street level, we find the first room of the house which is a living room. From there a flight of stairs leads to the second floor, which consists of 2 double bedrooms, separated by a bathroom with bathtub. The second flight of stairs leads to the second floor, where we find a spacious living room completely renovated with wonderful views of the village. In addition, on this floor you can find a fully equipped kitchen that leads to the first of the terraces of the house. The same stands out for the wonderful views of the village church and the famous umbrellas that characterize the village of Torrox. Finally, at the top of the house we find a large terrace with stunning sea views.

The house has recently undergone a remodeling and highlights the large walls of the house, as well as the presence of heating in all rooms and double glazing that bring a modern touch to the house. Undoubtedly this is a family home for those looking for privacy but at the same time being in the city center. In addition, it could be an ideal option for those investors who are thinking of acquiring a home as a business model for tourist rental. Do not hesitate to contact us to book your appointment!
