

1 sovrum Villa till salu i Sayalonga, Málaga

260.000€

A few minutes drive from the charming village of Sayalonga, you will find this modern villa, with a compact and unique design that has been designed by an architect. From its terraces it offers spectacular views of the mountains and the Mediterranean Sea.

Thanks to the high quality of the construction materials, heating and air conditioning, this house can be inhabited all year round and requires minimal maintenance.

On the ground floor we find a cozy and bright living room with a dining area and a fully equipped modern American kitchen, a storage room and a toilet.

On the first floor there is a spacious bedroom with an exceptional two-story double bed that offers space for five people and there is also a bathroom with a shower. Next to the stairs, there is a small storage room. On this floor there is also a balcony that offers impressive panoramic views.
