505.000€

New build luxury villas in a private gated resort in the Murcia region, surrounded by excellent golf courses and just 10 minutes from the sandy beaches of the Mar Menor Sea. The villas span three floors and feature 3 bedrooms, 3 bathrooms, an open-plan kitchen and living-dining room, fitted wardrobes, a basement, and a private garden with a pool and parking space. Located in a secure private resort with a main access entrance and 24-hour security, the resort is designed around an impressive 126,000 m² green area. It includes walking and cycling paths, sports facilities, paddle and tennis courts, a mini-golf course, gardens, dog parks, leisure areas, and a clubhouse. At the center of the resort is the jewel, a crystal-clear artificial lake with almost 17,000 m² of water surface, surrounded by white sandy beaches and palm trees, bringing a piece of the Caribbean to the Murcia region. The lake has two islands, one of which has its own bar, and there are "beach chiringuitos" spread around the lake. The resort is strategically located less than 4 km from the beach and the town of Los Alcázares, where you can practice various water sports. It is surrounded by several golf courses and is less than 15 minutes by car from the city of Cartagena and 22 km from Murcia airport, offering a wide range of cultural, gastronomic, and sports activities within reach.
