

3 soveværelse Landsted til salg i Torrox, Málaga

450.000€

Situated in the countryside, this property offers two access possibilities: one more direct from the village of Torrox via a partially asphalted lane, and the other from the road to Cómpeeta. The beautiful country house enjoys wonderful views to the mountains of Torrox and the sea. The property is only a ten minute drive from the coast.

This beautiful typical country house of about 150 m2 still retains its charm and authenticity of an old Andalusian country house. A pretty porch gives access to the interior of the house where we find the kitchen with wooden furniture, a single bedroom for youngsters and through an archway we enter a spacious living-dining room with fireplace which gives access to a bathroom with shower, a double bedroom and the master bedroom with a large en-suite bathroom with bathtub. Underneath the main house we find a kind of storage room/garage where one could perfectly make a completely independent flat, as at the moment it already has a bathroom and a small kitchen.

The country house has a swimming pool with balustrades and all the terraces offer beautiful views of the mountains and the sea. Do not hesitate to contact us for more information about this spectacular country house.
