

3 sovrum Radhus till salu i Martos, Jaén

35.000€

This is a lovely, three bedroom townhouse located just out from the centre of Martos, in the Jaén province. It is ready to move straight into, but still has opportunities for a new owner to add their own stamp to it. You enter the property into a large reception room with a dining area, and ahead is a spacious family bathroom. Off to the right is a fitted kitchen with steps leading down to the lower floor. There is also a lovely lounge on this level. On the lower floor, you'll find two large rooms, one is currently being used as a workroom but would make a great extra bedroom. The second room is a good-sized double bedroom that also has access out to a private patio area. Stairs off the kitchen take you up to the first floor, where there is a good size open room and then another bedroom with access out onto a lovely sun terrace with beautiful views of Martos. This is a very nice townhouse, that would make an ideal 'Lock up and Leave' holiday home or great for full-time living. The town's amenities including bars, shops restaurants and supermarkets are all within walking distance.
