

7 sovrum Lantställe till salu i Casares, Málaga

1.150.000€

Spectacular farm with impressive mountain views, on a large plot of land, with a private pool, located in an ideal place. The property has about 7 bedrooms and 4 bathrooms, plus 1 guest toilet. A huge hall to serve your guests, then a huge independent kitchen where many people can eat and the cook prepares very good dishes. Then we have several areas with terraces, one covered so you can enjoy the incredible tranquility and the landscape that the place offers you. In addition to another terrace with barbecue so you can share a good banquet with whoever you want. Of course the property has covered parking for 3 vehicles, but within it you can park several more. It also has a large storage room so you can store your objects. And several spaces such as laundry rooms. Air conditioning in some rooms. Solar panels that provide electricity; apart from electrical current. Then you have a private pool so you can sunbathe next to the garden and take a good bath whenever you want. The property has total privacy, since it has an extensive plot of more than 11 square meters. Where you can walk quietly while watching the fruit trees, a fountain that the property has and other green areas. The best thing is that it is located in a unique place so you can have absolute tranquility. This house is a very good option to live, or to invest in the hospitality sector.
