The house will be divided in the following way: A spacious living space with an open furnished kitchen of 29.80 m², and both the living space and the master bedroom will overlook the terrace of 12.40 m². This master bedroom of 12.35m² will have a beautifully furnished bathroom of 4m² en-suite (shower screens included). There will also be a second bedroom of 13.10m² and a spacious separate furnished bathroom of 4.85m², and there will also be a laundry room of 2.5m². This residence will have a beautiful communal garden and a large communal swimming pool and there will also be 2 social areas (open and closed), a social club, toilets and a gym or play area.

Furthermore, the location of this project is ideal as almost all the facilities you could wish for can be found in the vicinity, and the University Hospital of Torrevieja is also approximately 3.9 km away, which is also an advantage. The connection to both Alicante Airport and Murcia Airport is approximately 42 minutes' drive for both destinations. Within this project there are also Ground floor bungalows with 2 bedrooms, 2 bathrooms, basement and parking space available, which you can find on our website (WWW.GLOBAL-SPAIN.COM) under the following reference: GS1801.
