

Landa till salu i Competa, Málaga

47.000€

An attractive plot of approx. 5.000m² with beautiful views down over the peaceful countryside, the natural park to the Mediterranean and up to the mountains.

The plot is situated at about a five minute drive from the pretty mountain village of Cómpeeta, the coast can be reached in approx. 20 minutes. This property is located in a quiet setting but is not at all isolated.

The plot contains a good size ruin which would be possible to renovate or re-construct. There are many trees on the land including pines, mimosas and olive trees.

Electricity and water connections are nearby.

There is a good access road to the property.

A very well-priced plot of land!
