6 Schlafzimmer Villa zu verkaufen in Casares, Málaga 7.365.000€

This superb villa, designed by the architectural firm Abalos, presents clean lines and precise angles inspired by cubism.

Spanning two floors, the upper level includes bedrooms connected by a spiral staircase.

While the ground floor houses additional bedrooms, a kitchen and a spacious living room.

The manicured garden surrounds the infinity pool which offers panoramic views.

With its frontline golf location, sea views and design, this property offers a luxurious haven.
