Welcome to Casa Salsa

Located in the heart of Órgiva! This charming three-story village house, with an arabesque style that blends elegance and warmth, is the ideal home for those seeking an authentic retreat full of character.

Upon entering, you will be amazed by the spacious open areas, the result of a renovation designed to create a bright and welcoming atmosphere by removing the walls to integrate the rooms. On the ground floor, you will find an open-plan living-dining-kitchen area, perfect for enjoying moments of togetherness. On the first floor, a bedroom and a bathroom offer comfort and privacy, while the second floor houses the master bedroom, a place of rest and tranquility.

The jewel of the house is undoubtedly its large rooftop terrace, where you can relax and enjoy the spectacular views of Órgiva, its vibrant town center, and the imposing mountains surrounding the village. It's the perfect place to sunbathe, dine outdoors, or simply watch the sunset!

Thanks to its central location, Casa Sauce is just a step away from all essential services: supermarkets, local shops, banks, schools, and restaurants, ensuring great convenience in daily life.

Located in one of the most charming areas of Órgiva, Casa Sauce is a unique opportunity to live in a traditional setting with all the modern comforts. Come discover your new home in this special corner of the Alpujarra!
