VILLA ISLA, LUXURY WITHIN THE REACH OF A FEW~~~If there is a villa that stands out for its design and its open spaces open to the sea, that is Villa La Isla. All the main rooms are connected to the outside, with the pool terrace and the porch to enjoy eating outdoors while contemplating the sea practically all year round.~~The master bedroom also deserves a special mention, with an en-suite bathroom with a double sink, a bathtub and a shower, connected to the dressing room and the rest area, a design oriented towards comfort, which lets in light and sun. and that allows us to wake up contemplating the sea.~~Villa la Isla has a total of four bedrooms, all with en-suite bathrooms, dressing rooms or wardrobes and access to a terrace with sea views.
